SOFTWARE ENGINEER

AMOL AMBEKAR

Phone: 9028198937

Email: amolambekar10.aa@gmail.com

Address: 2116 D Ward Shukrawar Peth Kolhapur, Maharashtra

SUMMARY

Experienced Software Engineer with 1.1 years of expertise in Java, Spring Boot, Hibernate, and RESTful Web Services. Skilled in UI development with JSP/JSTL and database management using MySQL. Proficient in API integration and code optimization.

TECHNICAL SKILLS

Backend: Java, Spring Boot, Hibernate JPA, RESTful APIs, REST, JSON, Microservices, Spring Validation, JWT, Spring Security, Maven, MySQL, Servlets,
Frontend: HTML, CSS, Javascript, JSP, JSTL
Tools: Git, GitHub, Postman, Eclipse, STS, IntelliJ
Methodologies: Agile Scrum Process

PROFESSIONAL EXPERIENCE

Software Engineer | GlobalLogic India Limited | 1.1 years

- Developed and maintained software applications using Java 8, Spring Boot, and Hibernate.
- Designed and implemented modern web services architecture with REST and JSON.
- Utilized MySQL for efficient database management and optimized SQL queries.
- Implemented JWT and Spring Security for secure authentication and authorization.
- Developed RESTful APIs using Java, integrating with Hibernate or JPA.
- Enhanced the quality of code and improved application performance, leading to a 14% reduction in bugs
- Applied API-based architecture principles for scalable systems.

PROJECT PROFILES

Teladoc | Team Member: 7

Description:

- Teladoc is a comprehensive web application designed to bridge the gap between health enthusiasts and healthcare experts.

- With Teladoc, users can easily find and connect with health experts tailored to their specific needs, whether it's for general advice, specialized consultations, or ongoing support.

ROLES AND RESPONSIBILITIES

- Developed and maintained user module for health enthusiasts and healthcare experts.
- Developed and Implemented business logic for user-specific functionalities, such as searching for healthcare experts, viewing appointment history.
- Designed profiles for health experts, allowing them to showcase their expertise and qualifications.
- Integrated features enabling users to book slots for video calls with health experts for consultations.
- Conducted thorough debugging and issues resolution.

EDUCATION

Completed Bachelor of Technology in Computer Science And Engineering from Dr. Babasaheb Ambedkar Technological University with 7.79 CGPA.
